reveals the secret to couples meeting each other's deepest needs without love she reacts without respect and without respect he reacts without love and a painful negative cycle begins

Dr. Eggerichs' best-selling book *Love and Respect* launched a revolution in how couples relate to each other. Now, with the *Language of Love and Respect Companion Workbook*, the message of this book can be studied and applied for groups or individual couples. The result will be better communication, understanding, and a successful, Godly marriage.

In this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of love and respect.

A revolutionary solution to the #1 marriage problem: why does communication between couples remain the number one marriage issue? Because, says Dr. Emerson Eggerichs, most spouses don't know that they speak two different languages. They are sending each other messages in code, but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect. Dr. Eggerichs' best-selling book *Love and Respect* launched a revolution in how couples relate to each other. In *the Language of Love and Respect*, he presents a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language: respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as *Cracking the Communication Code*.

From the New York Times best-selling author of *Love and Respect* comes the definitive book for mothers and sons. Love is important, but it is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all: a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding. When applied properly, moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons. At least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys and big ones need mom's respect? No wonder mothers feel left in the dark on this topic. *Mother-Son* is also available in Spanish: *Madre e Hijo*.
